## SHAME ON ME EBOOKS 2019

Author: Tessa McWatt

Release Date: Expected @@expectedReleaseDate@@

What are you? Tessa McWatt knows first-hand that the answer to this question, often asked of people of colour by white people, is always more complicated than it seems. Is the answer English, Scottish, British, Caribbean, Portuguese, Indian, Amerindian, French, African, Chinese, Canadian? Like most families, hers is steeped in myth and the anecdotes of grandparents and parents who recount their histories through the lens of desire, aspiration, loss, and shame. She unspools all the interwoven strands of her multicoloured inheritance, and knits them back together using additional fibres from literature and history to strengthen the weave of her refabricated tale. She dismantles her own body and examines it piece by piece to build a devastating and incisively subtle analysis of the race debate as it now stands, in this stunningly written exploration of who and what we truly are.
