In my Lovely Beast series of novels coming soon , my Taylor Thorn character is based on my years as an adult entertainer, and lies deep within the shadows of my upbringing during which I learned how to not only survive, but thrive in the demanding and competitive world we all live in.u003cbr/u003e

Settle back as I give you a rare glimpse into the mysterious world that I came to dominate as a successful stripper at a gentleman's club in the Midwest.u003cbr/u003e

Over time I began to understand that it wasn't really about the sex. Yes, bills changed hands, skin was displayed and touched, but the actual commodity valued and exchanged, at the rate of hundreds of dollars per hour, may surprise you.u003cbr/u003e

Yes, other strippers can read this memoir and learn how to keep their tip purses full, but anyone involved in any relationship, personal or professional, can benefit from learning the secret to maximizing the potential of that relationship.u003cbr/u003e

It all goes back to the human heart, and what we all need to stay sane.
